25th December,2019.

Friends,

Greetings & Best wishes to all of you.

We are on the threshold of a new year- a year that opens with the whole country agog in protest over the NRC and CAA legislations. Such spontaneous outbursts of people's anger have not been seen in recent years. AIFUCTO feels proud in extending its support to the revolutionary zeal of the people in fighting such draconian legislations.

Earlier this month The XXXth Statutory Conference of AIFUCTO was held at Bhubaneswar between Decetber 7 and 9, 2019. It was an extremely successful conference that saw hundreds of teachers from across the country enthusiastically participating in the deliberations. **We express our sincere gratitude to the organisers who despite strong attempts of sabotage successfully shifted the venue to Ekamra College premises when they were notified in the last minute about the cancellation of the venue that was previously fixed.** A seminar on the New Education Policy was held on December 8, 2019- the second day of the conference, a detailed Report of which can be found in this issue of Teachers' Movement. The highlight of this years Conference was the election for the various offices of AIFUCTO including those of General Secretary and President.

We *congratulate* all on being elected and look forward to some fruitful interaction with them.

At the same time many office bearers retired from AIFUCTO as well. They include
