Dear Friends,

WARM GREETINGS AND BEST WISHES FROM AIFUCTO

Indian Democracy has entered into a lively phase after enthusiastic participation of the people in the democratic process to elect their representatives to 17th Lok Sabha. I am also extremely happy that true to the resolution of NEC held at Udaipur, Rajasthan on 7th April, leadership of AIFUCTO, leadership of affiliates and members of AIFUCTO have played very positive role in influencing the electoral process in favour of candidates committed to democratic secular and scientific fabric of our country. They have also tried their best to influence the voting pattern in favour of representative committed to pro-education and pro- teacher policy. Let us hope that on May 23rd 2019 the electoral verdict will provide a new dimension to our political system.

1.Observation of May Day:-

All Trade Union and Teachers organization including AIFUCTO celebrated the 133th May Day otherwise known as labour day throughout India. The message was to liberate the country from the disaster of new economic policy of liberalization, globalization and privatization. Meetings were held in different

parts of the country opposing corporatization of economy, domination of international finance capital, attempt to inject communal tension to our society and championing the rights of the laboring class. On this occasion the General Secretary of World Federation of Trade Union George Mavirkos participated in the great May Day demonstration in the port of Piraeau in Greece and stated “ All of us in every corner of the planet, we have to condemn the coup against President Nicolas Maduro in Venezuela. We condemn the imperialist puppet Guadio. The imperialist and multinational want to steel the natural wealth resources of Venezuela. The working class and people of Venezuela have to crush the imperialist puppet. Venuzuela is not alone”. **The slogan of May 2019 was “Break the shackles and March forward”.**

2.Devastating Fani Cyclone:-

The turbulent cyclonic storm fani has brought unforeseen devastation in major parts of Costal Odisha and in a limited manner in West Bengal, Bihar and Jharkhand. The nature’s fury in Odisha has caused untold miseries and suffering to the common people of the state. The capital city even after ten days of this great tragedy is yet to recover to normalcy. AIFUCTO expresses its deep sympathy and consoles the people of the affected states to face the challenges of the hour with boldness and strength. **AIFUCTO appeals to all members those who want to help the fani victim of Odisha (Worst affected), to send their contribution to the Chief Minister relief fund with an intimation to AIFUCTO General Secretary.**

According to the resolution of Udaypur, NEC AIFUCTO has written letter to Chief ministers of West Bengal, Punjab, Himachal Pradesh and Manipur, requesting them to implement 7th UGC payscales in his state. AIFUCTO requests all our four state affiliates to take this issue and plan agitation for it after election, if necessary.

4. Organizational Issues:

Needless to say that building of our own will give us an identity and help in the coming days of struggle.

Friends, coming academic session will be of great challenges and opportunity for all of us. Let us expect a pro people and pro teacher establishment at the centre so that a congenial environment will be created for successful implementation of AIFUCTO agenda. While hoping for the best in the coming days, let us prepare our self organizationally to meet any challenges which may threaten our democratic educational system. There is no alternative to struggle.
