The details decision taken in the National Executive Body Meeting on other issues will be communicated to you very soon.

Friends, you all know the **Kishan Sangharsa Morcha** is spearheading a historic struggle demanding withdrawal of **three black Farm Laws** for the last ten months in the face of all round offensive and undemocratic and corporate mindset of the central government to nip the movement in the bud. Thanks to the **Annadatas** of the country they have been successfully resisting the undemocratic and stubborn attitude of the Government of India and relentlessly carrying on the movement. Besides ignoring the voice of the laboring class of the country they have brought new undemocratic labor code and side lining all our United protest

bent upon the implementation of **retrograde, undemocratic, unscientific and exclusionary National Education Policy**. The NDA government led by BJP ,being an ally of corporate forces trying to push the country to the clutches of corporate and fundamentalist forces. The Bharat Band call, AIFUCTO, feels is a golden opportunity for the emergence of broader Platform for a United struggle of all democratic forces against the neo liberal and anti people policies of the central government. AIFUCTO, viewing in a broader perspective of national interests has decided to support the 27th September,2021 Bharat Band Program and appealed to all its members to contribute their might in a coordinated manner to make the program a grant success. The Peasants struggle and its success is closely linked with the success of democratic and people 's rights in our country. Please participate in the Band Program in coordination with all other struggling people and liberate the country from the leviathan forces of unholy alliance of corporate and fundamentalist forces.

Victory will be ours.

Long Live AIFUCTO, Long Live the broader unity of Peasants, workers, teachers, students and progressive forces of the country.

Fight against corporate, Save Democracy, Save the Nation.
